1. Chapter 1

Deck the Halls

Tune: Deck the Halls

Deck the halls with elite blood, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Tis the season to be violent, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Don we now our battle armor, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Toll the ancient yule tide battles, fa, fa, fa, fa, fa, fa, fa, fa, fa,

See the blazing flood before us, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Strike the head and up the death count, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Follow me and listen up, fa, fa, fa, fa, fa, fa, fa, fa, fa,

While I tell you of my plans, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Fast away the little grunts run, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Hail the sniper rifle and bullets, fa, fa, fa, fa, fa, fa, fa, fa, fa,

Sing we now our joyous songs, fa, fa, fa, fa, fa, fa, fa, fa, fa,

For we have won and kicked their asses, fa, fa, fa, fa, fa, fa, fa, fa, fa,

2. Death To The Flood

Death to the Flood

Tune: Joy to the World

Death to the Flood

For he has come

Let the flood receive his scorn

And every grunt prepare to die,

And covenant alike, and covenant alike,

And cov, and cov, and covenant alike.

He kills them all with guns and grenades,

And tanks with cannons bright

The strength of his arsenal, and lack of his mercy,

And lack of his mercy,

And lack of his mercy,

And lack of, and lack of his mercy for them

3. Let em Die

Let em die

Tune: Let it snow

Oh the carnage outside is frightful

But in here its now much better

When there's no place to run,

Stand your ground, stand your ground, stand your ground

He doesn't show signs of mercy,

And he'll blow the flood to nothing,

And when the ammo is running low,

Let em die, let em die, let em die.

If he finally kills them all,

He will be out of a job,

But if he lets them live,

They'll consume all of humanity

So I guess he has no choice,

So he's going to have to kill them all,

But as long as we don't give a care,

Let em die, let em die, let em die

4. O Halo Night

O Halo Night

Tune: Oh, holy night

O Halo Night

The Spartans lie in ambush

This is the night they will destroy the flood.

O Halo Night

The Spartans wait in silence,

To begin their bloody onslaught.

The flood come rushing at the Spartans.

The Spartans rain the flood with bullets.

Fall on your knees

Before their superior weapons

O night divine, oh night the flood was destroyed,

O night divine, O night of deathly silence.

5. O, Spartans

O, Spartans

Tune: O Christmas Tree

O, Spartans, O, Spartans, how shiny is your armor.

O, Spartans, O, Spartans, how big and shiny is your weapons.

Not only big is your shiny shotgun, but it can kill flood with just one shot.

O, Spartans, O, Spartans, I praise you for your deadly skills.

6. O, my shotgun

O my shotgun

Tune: O Christmas Tree

O my shotgun, O my shotgun, how deadly are your bullets.

O shotgun shells, O shotgun shells, your bullets kill with just one shot.

You are my favorite gun to use, cause it kills flood with just one shot.

O my shotgun, O shotgun shells, together you are lethal.

7. Silent Night, Deadly Night

Silent Night, Deadly Night

Tune: Silent Night

Silent Night, Deadly Night

Round yon golden elite and grunts

Destructive Spartan so deadly and wild.

Sleep in burning hell, sleep in burning hell

Silent Night, Deadly Night,

Covenant quake with deadly fright.

Bullets stream from snipers afar

Crazy grunts scream, "DEMON"

Master Chief is here.

Master Chief is here.

Silent Night, deadly night

Master Chief, one pure knight

Spraying bullets from his rifle.

With rockets blazing around.

Master Chief is victorious.

Master Chief is victorious.

End
